# Brain Innovation: Home of the BrainVoyager Product Family

RRID:SCR\_006660 Type: Tool

### **Proper Citation**

Brain Innovation: Home of the BrainVoyager Product Family (RRID:SCR\_006660)

### **Resource Information**

#### URL: http://www.brainvoyager.com

**Proper Citation:** Brain Innovation: Home of the BrainVoyager Product Family (RRID:SCR\_006660)

**Description:** Brain Innovation B.V. is developing scientific software in the field of human and animal brain imaging, neural network simulation and computer-based experimental control. Our current major product, BrainVoyager QX, is a commercially available cross-platform neuroimaging tool, which is used in hundreds of labs across the planet. Turbo-BrainVoyager is an easy to use program for real-time data analysis, which allows to observe a subject"s or patient"s brain activity during an ongoing functional MRI scanning session. TMS Neuronavigator provides the hard- and software to navigate a TMS coil to desired anatomical or functionally defined brain regions. We also provide free software products. BrainVoyager Brain Tutor allows to learn about brain areas by clicking on rotatable 3D brain models. StimuIDX is a powerful stimulation software based on Microsofts DirectX API, which we will make available for free download in the near future.

Abbreviations: Brain Innovation

Synonyms: Brain Innovation B.V.

Resource Type: topical portal, portal, data or information resource, software resource

**Keywords:** brain, imaging, human, non-human animal, brain imaging, neural network simulation, experimental control, network, simulation, experimental, analysis, anatomical, neuroimaging, tool

Funding:

Resource Name: Brain Innovation: Home of the BrainVoyager Product Family

Resource ID: SCR\_006660

Alternate IDs: nif-0000-30213

Record Creation Time: 20220129T080237+0000

Record Last Update: 20250513T060833+0000

### **Ratings and Alerts**

No rating or validation information has been found for Brain Innovation: Home of the BrainVoyager Product Family.

No alerts have been found for Brain Innovation: Home of the BrainVoyager Product Family.

### Data and Source Information

Source: SciCrunch Registry

### **Usage and Citation Metrics**

We found 168 mentions in open access literature.

Listed below are recent publications. The full list is available at <u>NIF</u>.
