QUASR

RRID:SCR_006820

Type: Tool

Proper Citation

QUASR (RRID:SCR_006820)

Resource Information

URL: <http://sourceforge.net/projects/quasr/>

Proper Citation: QUASR (RRID:SCR_006820)

Description: A lightweight software pipeline written to process and analyse next-generation sequencing (NGS) data from Illumina, 454, and Ion Torrent platforms. Although originally written for viral data, it is generic enough to work on any NGS dataset. Functions include: duplicate removal, demultiplexing, primer-removal, quality-assurance (QA) graphing, quality control (QC), consensus-generation, minority-variant determination, minority-variant graphing.

Abbreviations: QUASR

Synonyms: QUASR - Cross-platform NGS processing and analysis pipeline in Python

Resource Type: software resource

Keywords: next generation sequencing, python3, java

Availability: GNU General Public License, v3

Resource Name: QUASR

Resource ID: SCR_006820

Alternate IDs: OMICS_01072

Record Creation Time: 20220129T080238+0000

Record Last Update: 20260829T182245+0000

Ratings and Alerts

No rating or validation information has been found for QUASR.

No alerts have been found for QUASR.
