## **Noise Enhancement of Sensorimotor Function**

RRID:SCR 006913

Type: Tool

### **Proper Citation**

Noise Enhancement of Sensorimotor Function (RRID:SCR\_006913)

#### Resource Information

URL: http://www.physionet.org/physiobank/database/nesfdb/

**Proper Citation:** Noise Enhancement of Sensorimotor Function (RRID:SCR\_006913)

**Description:** Data set of postural sway measurements for 15 healthy young (mean age 23, standard deviation 2), and 12 healthy elderly (mean age 73, standard deviation 3) volunteers. Each subject"s postural sway was recorded during a test of 10 minutes for the young subjects, or 5 minutes for the elderly subjects, in all cases with a 2-minute seated break midway through the test. Each test was divided into 30-second trials, and each file of the database contains data for one of these 30-second trials.

Abbreviations: Noise Enhancement of Sensorimotor Function

Resource Type: data set, data or information resource

**Defining Citation:** PMID:14550702

Keywords: aging, late adult human, early adult human

**Related Condition:** Aging, Healthy

**Funding:** 

Availability: Acknowledgement requested

Resource Name: Noise Enhancement of Sensorimotor Function

Resource ID: SCR\_006913

Alternate IDs: nlx\_58609

**Record Creation Time:** 20220129T080238+0000

Record Last Update: 20250517T055800+0000

# Ratings and Alerts

No rating or validation information has been found for Noise Enhancement of Sensorimotor Function.

No alerts have been found for Noise Enhancement of Sensorimotor Function.
