FastSemSim

RRID:SCR_006919

Type: Tool

Proper Citation

FastSemSim (RRID:SCR_006919)

Resource Information

URL: http://sourceforge.net/p/fastsemsim/home/Home/

Proper Citation: FastSemSim (RRID:SCR_006919)

Description: A package that implements several semantic similarity measures. It is both a library and an end-user application, featuring an intuitive graphical user interface (GUI). It has been implemented with the aim of being fast, expandable, and easy to use. It allows the user to work with the most updated version of GO database and customizable annotation corpora. It provides a set of logically-organized classes that can be easily exploited to both integrate semantic similarity into different analysis pipelines and extend the library with new measures. Platform: Windows compatible, Mac OS X compatible, Linux compatible, Unix compatible

Abbreviations: FastSemSim

Resource Type: software library, software toolkit, software resource

Keywords: software library, functional similarity, semantic similarity, graphical user interface, gene ontology, annotation, parse, gene, protein

Funding:

Availability: Open unspecified license - Free for academic use. GNU GPL license. However, This software is currently unpublished work. You must contact us before using it or its results or any work/app. based on top of it in any published work.

Resource Name: FastSemSim

Resource ID: SCR_006919

Alternate IDs: nlx_149309

Record Creation Time: 20220129T080238+0000

Record Last Update: 20250503T055849+0000

Ratings and Alerts

No rating or validation information has been found for FastSemSim.

No alerts have been found for FastSemSim.
