## HCV Immunology Database

RRID:SCR\_007086

Type: Tool

---

### Proper Citation

HCV Immunology Database (RRID:SCR\_007086)

---

### Resource Information

**URL:** <http://hcv.lanl.gov/content/immuno/immuno-main.html>

**Proper Citation:** HCV Immunology Database (RRID:SCR\_007086)

**Description:** The HCV Immunology Database contains a curated inventory of immunological epitopes in HCV and their interaction with the immune system, with associated retrieval and analysis tools. The funding for the HCV database project has stopped, and this website and the HCV immunology database are no longer maintained. The site will stay up, but problems will not be fixed. The database was last updated in September 2007. The HIV immunology website contains the same tools, and may be usable for non-HCV-specific analyses. For new epitope information, users of this database can try the Immuno Epitope Database (<http://www.immuneepitope.org>).

**Abbreviations:** HCV Immunology Database

**Synonyms:** Los Alamos Hepatitis C Immunology Database, Hepatitis C Virus Immunology Database, Hepatitis C Immunology Database

**Resource Type:** analysis service resource, data analysis service, data or information resource, database, production service resource, service resource

**Defining Citation:** [PMID:16309340](#)

**Keywords:** epitope, immune system, hepatitis c virus, hepatitis c, immunology, t cell, protein, alignment, antibody, binding site

**Related Condition:** Hepatitis C

**Funding:** NIAID

**Availability:** The data and some of the HCV database tools are available for download for non-commercial use.

**Resource Name:** HCV Immunology Database

**Resource ID:** SCR\_007086

**Alternate IDs:** nlx\_151412

**Record Creation Time:** 20220129T080239+0000

**Record Last Update:** 20260829T182246+0000
