Brown University Alpert Medical School Department of Molecular Pharmacology Physiology and Biotechnology

RRID:SCR 007222

Type: Tool

Proper Citation

Brown University Alpert Medical School Department of Molecular Pharmacology Physiology and Biotechnology (RRID:SCR 007222)

Resource Information

URL: http://brown.edu/academics/molecular-pharmacology-physiology-and-biotechnology/

Proper Citation: Brown University Alpert Medical School Department of Molecular Pharmacology Physiology and Biotechnology (RRID:SCR_007222)

Description: THIS RESOURCE IS NO LONGER IN SERVICE, documented on August 20, 2021. Department of Molecular Pharmacology, Physiology, and Biotechnology has closed, effective June 30, 2021. Department of Molecular Pharmacology, Physiology and Biotechnology is basic science department within Brown Medical School, and is full participant in undergraduate based Program in Biology within Division of Biology and Medicine at Brown University.

Synonyms: BU MPPB, Brown MPPB, Brown University; MPPB

Resource Type: graduate program resource, data or information resource, medical school program resource, undergraduate program resource, postdoctoral program resource, portal, training resource, department portal, degree granting program, organization portal
