Imaris

RRID:SCR_007370

Type: Tool

Proper Citation

Imaris (RRID:SCR_007370)

Resource Information

URL: <http://www.bitplane.com/imaris/imaris>

Proper Citation: Imaris (RRID:SCR_007370)

Description: Imaris provides range of capabilities for working with three dimensional images. Uses flexible editing and processing functions, such as interactive surface rendering and object slicing capabilities. And output to standard TIFF, Quicktime and AVI formats. Imaris accepts virtually all image formats that are used in confocal microscopy and many of those used in wide-field image acquisition. Imaris version 10.1 for image analysis workflows using AI trainable object detection.

Synonyms: , Imaris 10.1, Imaris 9.7

Resource Type: data processing software, image analysis software, software application, software resource

Keywords: Three dimensional images, 3D image, AI trainable object detection,

Availability: Restricted

Resource Name: Imaris

Resource ID: SCR_007370

Alternate IDs: nif-0000-00314

Alternate URLs: <https://imaris.oxinst.com/>, <https://imaris.oxinst.com/newrelease>

Record Creation Time: 20220129T080241+0000

Record Last Update: 20260905T132610+0000

Ratings and Alerts

No rating or validation information has been found for Imaris.

No alerts have been found for Imaris.
