Resource Information

URL: <http://trans.nih.gov/CEHP/>

Proper Citation: Cognitive and Emotional Health Project: The Healthy Brain (RRID:SCR_007390)

Description: Trans-NIH project to assess the state of longitudinal and epidemiological research on demographic, social and biologic determinants of cognitive and emotional health in aging adults and the pathways by which cognitive and emotional health may reciprocally influence each other. A database of large scale longitudinal study relevant to healthy aging in 4 domains was created based on responses of investigators conducting these studies and is available for query. The four domains are: * Cognitive Health * Emotional Health * Demographic and Social Factors * Biomedical and Physiologic Factors

Abbreviations: CEHP

Synonyms: Cognitive and Emotional Health Project (CEHP), Cognitive Emotional Health Project: The Healthy Brain, Cognitive Emotional Health Project, Cognitive and Emotional Health Project
