Proper Citation: MtbRegList (RRID:SCR_007811)

Description: A database dedicated to the analysis of gene expression and regulation data in Mycobacterium tuberculosis. It is designed to contain most of the characterized transcription start sites and DNA binding sites cross-referenced with their respective transcription factor, along with some predicted regulatory motifs.

Synonyms: MtbRegList

Resource Type: database, data or information resource

Resource Name: MtbRegList

Resource ID: SCR_007811

Alternate IDs: nif-0000-03169

Record Creation Time: 20220129T080243+0000

Record Last Update: 20260807T042701+0000
