Proper Citation: Oncomine Research Platform (RRID:SCR_007834)

Description: Oncomine Research Platform is a partially-commercial suite of products for online cancer gene expression analysis dedicated to the academic and non-profit research community. Oncomine combines a rapidly growing compendium of 20,000+ cancer transcriptome profiles with a sophisticated analysis engine and a powerful web application for data-mining and visualization. Oncomine facilitates rapid and reliable biomarker and therapeutic target discovery, validation and prioritization. Oncomine was developed by physicians, scientists, and software engineers at the University of Michigan and is now fully supported for the academic and non-profit research community by Compendia Bioscience.

Synonyms: OncoMine

Resource Type: analysis service resource, data analysis service, production service resource, service resource

Keywords: FASEB list

Resource Name: Oncomine Research Platform

Resource ID: SCR_007834

Alternate IDs: nif-0000-03218, OMICS_00775, SCR_010949

Record Creation Time: 20220129T080244+0000

Record Last Update: 20260821T193827+0000

Ratings and Alerts

No rating or validation information has been found for Oncomine Research Platform.

No alerts have been found for Oncomine Research Platform.
