Yeast Resource Center

RRID:SCR_007942

Type: Tool

Proper Citation

Yeast Resource Center (RRID:SCR_007942)

Resource Information

URL: <http://depts.washington.edu/yeastrc/>

Proper Citation: Yeast Resource Center (RRID:SCR_007942)

Description: Biomedical technology research center that (1) exploits the budding yeast *Saccharomyces cerevisiae* to develop novel technologies for investigating and characterizing protein function and protein structure (2) facilitates research and extension of new technologies through collaboration, and (3) actively disseminates data and technology to the research community. Through collaboration, the YRC freely provides resources and expertise in six core technology areas: Protein Tandem Mass Spectrometry, Protein Sequence-Function Relationships, Quantitative Phenotyping, Protein Structure Prediction and Design, Fluorescence Microscopy, Computational Biology.

Abbreviations: YRC

Synonyms: YRC

Resource Type: biomedical technology research center, training resource

Keywords: systems biology technology center, protein function, protein structure, mass spectrometry, protein, structure prediction, fluorescence microscopy, computational biology, sequence, function, phenotyping

Funding: NCRR ;
NIGMS P41 GM103533

Resource Name: Yeast Resource Center

Resource ID: SCR_007942

Alternate IDs: nif-0000-03650

Record Creation Time: 20220129T080244+0000

Ratings and Alerts

No rating or validation information has been found for Yeast Resource Center.

No alerts have been found for Yeast Resource Center.
