Discovery Studio Visualizer

RRID:SCR_008398

Type: Tool

Proper Citation

Discovery Studio Visualizer (RRID:SCR_008398)

Resource Information

URL: http://www.accelrys.com/products/downloads/ds_visualizer/

Proper Citation: Discovery Studio Visualizer (RRID:SCR_008398)

Description: A life science modeling and simulation suite of applications focused on optimizing the drug discovery process. Discovery Studio makes it easier to examine the properties of large and small molecules, study systems, identify leads and optimize candidates. Discovery Studio ADME Descriptors allow scientists to eliminate compounds with unfavorable ADME characteristics early in the discovery process and evaluate proposed structural refinements prior to synthesis. Applications of predictive ADME include pharmaceutical, cosmeceutical, and environmental sciences.

Synonyms: Discovery Studio

Resource Type: simulation software, software application, software resource

Keywords: biomolecular, molecular, geometrics, alignment, metal, ion, informatics, workflow, absorption, drug discovery

Resource Name: Discovery Studio Visualizer

Resource ID: SCR_008398

Alternate IDs: nif-0000-30061

Record Creation Time: 20220129T080247+0000

Record Last Update: 20260912T195703+0000

Ratings and Alerts

No rating or validation information has been found for Discovery Studio Visualizer.

No alerts have been found for Discovery Studio Visualizer.

Data and Source Information
