CIPRES Science Gateway

RRID:SCR_008439

Type: Tool

Proper Citation

CIPRES Science Gateway (RRID:SCR_008439)

Resource Information

URL: http://www.phylo.org/sub_sections/portal/

Proper Citation: CIPRES Science Gateway (RRID:SCR_008439)

Description: This database is a public resource for inference of large phylogenetic trees. It is designed to provide all researchers with access to large computational resources of the NSF TeraGrid through a simple browser interface. The CIPRES Science Gateway provides new hybrid parallel versions of RAxML (7.2.7) and MrBayes (3.1.2), as well as parallel GARLI (1.0) code to insure the fastest possible run times for submitted jobs. Through a collaboration with Alexandros Stamatakis and Wayne Pfeiffer, they now offer the fastest hybrid versions of RAxML and MrBayes currently available. Sponsors: The CIPRES project is a multi-site collaboration funded by the NSF Information Technology Research (ITR) program grant entitled BUILDING THE TREE OF LIFE: A National Resource for Phyloinformatics and Computational Phylogenetics.

Abbreviations: CIPRES

Synonyms: Cyberinfrastructure for Phylogenetic Research Science Gateway, Cyberinfrastructure for Phylogenetic Research

Resource Type: data or information resource, database

Keywords: cyberinfrastructure, phylogenetic, research, science, tree, research, FASEB list

Resource Name: CIPRES Science Gateway

Resource ID: SCR_008439

Alternate IDs: nif-0000-30256

Record Creation Time: 20220129T080247+0000

Record Last Update: 20260829T183001+0000

Ratings and Alerts

No rating or validation information has been found for CIPRES Science Gateway.

No alerts have been found for CIPRES Science Gateway.
