# **Bioserve Global BioRepository**

RRID:SCR 008713

Type: Tool

## **Proper Citation**

Bioserve Global BioRepository (RRID:SCR\_008713)

#### Resource Information

URL: http://www.bioserve.com/

**Proper Citation:** Bioserve Global BioRepository (RRID:SCR\_008713)

**Description:** A biomaterial supply resource containing over 600,000 samples of human tissue, serum, DNA, and RNA. Samples are handled consistently according to validated protocols and each tissue sample comes with detailed demographic information, gold standard clinical diagnostic information, complete drug history, full pathology reports, and complete phenotypic data.

**Synonyms:** BioServe, BioServe Human Samples

Resource Type: material resource, biomaterial supply resource

Keywords: biomaterial supply resource, human tissue, human serum, human DNA, human

RNA

#### Funding:

**Availability:** Available for purchase, Available for the research and education community, Available for commercial use

Resource Name: Bioserve Global BioRepository

Resource ID: SCR\_008713

Alternate IDs: nlx\_12720

**Record Creation Time:** 20220129T080248+0000

Record Last Update: 20250509T055909+0000

### **Ratings and Alerts**

No rating or validation information has been found for Bioserve Global BioRepository.

No alerts have been found for Bioserve Global BioRepository.

#### Data and Source Information

Source: SciCrunch Registry

## **Usage and Citation Metrics**

We found 8 mentions in open access literature.

**Listed below are recent publications.** The full list is available at NIF.
