Proper Citation: Johns Hopkins Alzheimer's Disease Research Center

(RRID:SCR_008757)

Description: A Alzheimer's Disease Research Center (ADRC) whose goal is to conduct basic and clinical research aimed at understanding Alzheimer's disease. The Center enrolls a variety of individuals for clinical trials, evaluation and follow-up, including: normal control subjects, individuals with mild memory problems, and patients diagnosed with Alzheimer's Disease or related dementias. Researchers can request data and specimens obtained from ADRC subjects. These include blood or DNA, brain specimens, and cross-sectional or longitudinal clinical and cognitive data, all from ADRC subjects.

Synonyms: Johns Hopkins ADRC, Johns Hopkins Alzheimer's Disease Research Center

Resource Type: material resource, brain bank, tissue bank, biomaterial supply resource

Keywords: alzheimer's disease, mild memory problem, dementia, clinical data, cognitive data, blood, dna, brain, tissue, human, clinical trial, memory

Related Condition: Alzheimer's disease, Normal control, Mild memory problem, Dementia, Aging

Funding: NIA

Availability: Public, Researchers can request data and specimens obtained from ADRC subjects

Resource Name: Johns Hopkins Alzheimer's Disease Research Center

Resource ID: SCR_008757

Alternate IDs: nlx_144105

Record Creation Time: 20220129T080249+0000

Record Last Update: 20250424T065010+0000
