Type: Tool

Proper Citation

Vanderbilt Free Radicals in Medicine Core (RRID:SCR_009541)

Resource Information

URL: http://eagle-i.ea.vanderbilt.edu/i/00000139-a24f-c60a-b4bd-8a1180000000

Proper Citation: Vanderbilt Free Radicals in Medicine Core (RRID:SCR_009541)

Description: This core facility can assist with measurements of reactive oxygen species, nitric oxide, and assist in measurements of vascular reactivity for investigators in the Vanderbilt community. The FRIMCORE employs state of the art methods, including electron spin resonance, fluorescent techniques and HPLC (High-Performance Liquid Chromatography) for measurement of reactive oxygen species and nitric oxide in cells and tissues.

Resource Type: core facility, service resource, access service resource

Funding:

Resource Name: Vanderbilt Free Radicals in Medicine Core

Resource ID: SCR_009541

Alternate IDs: nlx_156657

Record Creation Time: 20220129T080253+0000

Record Last Update: 20250517T055927+0000
