MarsBaR region of interest toolbox for SPM

RRID:SCR_009605

Type: Tool

Proper Citation

MarsBaR region of interest toolbox for SPM (RRID:SCR_009605)

Resource Information

URL: http://marsbar.sourceforge.net/

Proper Citation: MarsBaR region of interest toolbox for SPM (RRID:SCR_009605)

Description: A toolbox for SPM which provides routines for region of interest analysis. Features include region of interest definition, combination of regions of interest with simple algebra, extraction of data for regions with and without SPM preprocessing (scaling, filtering), and statistical analyses of ROI data using the SPM statistics machinery.

Abbreviations: MarsBaR

Synonyms: MARSeille Boite A Region dInteret, MARSeille Boite a Region dInteret

Resource Type: software application, software resource, data processing software, software toolkit

Keywords: analyze, linear, matlab, magnetic resonance, nifti, os independent, regression, statistical operation, region of interest, spm, analysis

Funding:

Availability: GNU General Public License

Resource Name: MarsBaR region of interest toolbox for SPM

Resource ID: SCR_009605

Alternate IDs: nlx_155806

Alternate URLs: http://www.nitrc.org/projects/marsbar

Record Creation Time: 20220129T080253+0000

Record Last Update: 20250517T055930+0000

Ratings and Alerts

No rating or validation information has been found for MarsBaR region of interest toolbox for SPM.

No alerts have been found for MarsBaR region of interest toolbox for SPM.
