#### **Resource Information**

URL: http://www.itmat.upenn.edu/ctsa/acard/

Proper Citation: Penn Automated Claims and Medical Record Databases

(RRID:SCR\_009643)

**Description:** A core facility in the Center for Pharmacoepidemiology Research and Training created to foster epidemiologic research into therapeutics, using large population-based automated claims databases (Medicaid/Medicare) and medical records databases (GPRD and THIN), and the FDA''s adverse event reporting system (FAERS) database. Goals: \* Encourage investigators with diverse training to conduct studies focused on translational therapeutics and drug safety \* Provide access to large databases that allow for rapid and cost-effective research on therapeutics and drug safety \* Foster collaboration with CTSA sites outside of Penn who wish to use these databases for clinical research

Abbreviations: Penn ACARD

Resource Type: access service resource, service resource, core facility

**Keywords:** epidemiology, therapeutics

**Funding:** 

Resource Name: Penn Automated Claims and Medical Record Databases

Resource ID: SCR\_009643

Alternate IDs: nlx\_156115

**Record Creation Time:** 20220129T080254+0000

**Record Last Update:** 20250418T055217+0000

## Ratings and Alerts

No rating or validation information has been found for Penn Automated Claims and Medical Record Databases.

No alerts have been found for Penn Automated Claims and Medical Record Databases.
