JDC Genetics Core

RRID:SCR_009879

Type: Tool

Proper Citation

JDC Genetics Core (RRID:SCR_009879)

Resource Information

URL: http://harvard.eagle-i.net/i/0000012e-590e-5fe8-55da-381e80000000

Proper Citation: JDC Genetics Core (RRID:SCR_009879)

Description: Core facility that provides the following services: Data management service, SNP genotyping service. The Genetics Core was established in 1991 with the aim of promoting and facilitating genetic studies of diabetes and its complications in humans at the Joslin Diabetes Center and collaborating institutions. More than 1,000 DNA samples from human subjects have been collected in these years and are available to researchers. The Genetics Core also provides services assisting investigators in the use of these samples. Investigators wishing to use the Core resources should contact Dr. Alessandro Doria by phone at x4340 or (617) 732-2406, or by e-mail. A detailed project description is required for the use of DNA samples. There is no restriction on the Core access.

Resource Type: core facility, service resource, access service resource

Keywords: data storage, snp interrogation genotyping

Funding:

Resource Name: JDC Genetics Core

Resource ID: SCR_009879
