Proper Citation: MSM Center of Laboratory Animal Resources (RRID:SCR\_009935)

**Description:** Core facility that provides the following services: Basic animal care service, Clinical and health monitoring service, Humane euthanasia service, Animal disposal service, Animal quarantine service, Necropsy and diagnostics service, Animal vaccination service, Animal use consultation service, Breeding service, Animal sample collection service, Assistance with minor surgery, Animal tattooing service.

Access to CLAR facilities is restricted to authorized investigators with CLAR and IACUC approval. No individuals may enter the facilities without this CLAR/IACUC authorization. Since its inception, the Center for Laboratory Animal Resources (CLAR) has centralized most research and teaching animal care for the Atlanta University Center consortium. Our purpose is to provide total animal care services as needed to all academic and/or research faculty and staff affiliated with any one of the member institutions of the Atlanta University Center (AUC).

Resource Type: service resource, core facility, access service resource

**Keywords:** laboratory animal care, animal physiology monitoring, clinical monitoring, animal euthanization, autopsy, collecting specimen from organism, small animal surgery, animal tattooing
