Type: Tool

Proper Citation

Proteomics Center at Childrens Hospital Boston (RRID:SCR_010051)

Resource Information

URL: <http://harvard.eagle-i.net/i/0000012c-c193-a4b9-02c0-2b6880000000>

Proper Citation: Proteomics Center at Childrens Hospital Boston (RRID:SCR_010051)

Description: Core facility that provides the following services: Protein identification from Coomassie stained gel, Protein identification from silver stained gel, Protein identification from complex mixtures (in solution) service, Running SDS-PAGE service, SILAC (Data Acquisition and Analysis), ICAT (Data Acquisition and Analysis), ITRAQ (Data Acquisition and Analysis). The Proteomics Center at Children's Hospital Boston offers the most up-to-date proteomics equipment currently available. This includes the latest equipment for protein separation and several state-of-the-art mass spectrometers, which detect and quantify proteins in a sample and measure them to determine their structure and characteristics.

Abbreviations: CHB Proteomics Center

Synonyms: Proteomics Center at Children's Hospital Boston

Resource Type: service resource, core facility, access service resource

Keywords: protein identification, protein electrophoresis, protein mass determination by mass spectrometry

Funding:

Resource Name: Proteomics Center at Childrens Hospital Boston

Resource ID: SCR_010051

Alternate IDs: nlx_156520

Record Creation Time: 20220129T080256+0000

Record Last Update: 20250419T055240+0000
