Proper Citation: UCC Data Management and Statistical Research Support Unit (RRID:SCR_010074)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on January 26,2026. Core facility that provides the following services: Research support, Research Training. The DMSRSU provides study design, data management, quality assurance, and statistical analysis support for UCC researchers. The DMSRSU has a strong infrastructure which includes the following subunits: Data Abstraction and Management; Data Entry; Quality Control; Data Analysis and Consultant; and Administrative and Computer Systems. Each of these subunits consists of experienced professionals readily available to assist researchers and to provide data management and statistical research support to investigators. In addition, the DMSRSU counts on a highly experienced and reliable consulting team.

Abbreviations: UCC DMSRSU

Resource Type: access service resource, core facility, service resource

Keywords: data management, data analysis

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: UCC Data Management and Statistical Research Support Unit

Resource ID: SCR_010074

Alternate IDs: nlx_156546

Record Creation Time: 20220129T080256+0000

Record Last Update: 20260821T193918+0000

Ratings and Alerts

No rating or validation information has been found for UCC Data Management and Statistical Research Support Unit.

No alerts have been found for UCC Data Management and Statistical Research Support Unit.
