Ontology of Biological and Clinical Statistics

RRID:SCR_010391 Type: Tool

Proper Citation

Ontology of Biological and Clinical Statistics (RRID:SCR_010391)

Resource Information

URL: http://purl.bioontology.org/ontology/OBCS

Proper Citation: Ontology of Biological and Clinical Statistics (RRID:SCR_010391)

Description: A biomedical ontology in the domain of biological and clinical statistics that is primarily targeted for statistical representation in the fields in biological, biomedical, and clinical domains. It uses the Basic Formal Ontology (BFO) as the upper level ontology. OBCS imports all biostatistics related terms in the Ontology for Biomedical Investigations (OBI) including all logical axioms.

Abbreviations: OBCS

Resource Type: data or information resource, controlled vocabulary, ontology

Keywords: owl

Funding:

Resource Name: Ontology of Biological and Clinical Statistics

Resource ID: SCR_010391

Alternate IDs: nlx_157524

Record Creation Time: 20220129T080258+0000

Record Last Update: 20250519T203611+0000

Ratings and Alerts

No rating or validation information has been found for Ontology of Biological and Clinical Statistics.

No alerts have been found for Ontology of Biological and Clinical Statistics.
