Proper Citation: DPABI (RRID:SCR_010501)

Description: Software toolbox for data processing and analysis of brain imaging, evolved from DPARSF (Data Processing Assistant for Resting-State fMRI).

Abbreviations: DPABI

Synonyms: DPABI: a toolbox for Data Processing & Analysis of Brain Imaging, toolbox for Data Processing and Analysis of Brain Imaging

Resource Type: data processing software, software application, software resource, software toolkit

Keywords: neuroimaging, resting-state fmri, brain, analysis, fmri

Availability: GNU General Public License

Resource Name: DPABI

Resource ID: SCR_010501

Alternate IDs: nlx_158469

Record Creation Time: 20220129T080259+0000

Record Last Update: 20260821T193903+0000
