Proper Citation: Fogarty International Center (RRID:SCR_011229)

Description: The Fogarty International Center is dedicated to advancing the mission of the National Institutes of Health by supporting and facilitating global health research conducted by U.S. and international investigators, building partnerships between health research institutions in the U.S. and abroad, and training the next generation of scientists to address global health needs. Fogarty International Center's programs provide funding to perform research and to train researcher in a variety of global health topics. Through these extensive programs, Fogarty and its partners throughout the National Institutes of Health (NIH) are working to build sustainable research capacity in low- and middle-income countries. Current Programs Research and Research Training Programs * Biodiversity (ICBG) * Bioethics * Brain Disorders * Chronic Diseases: Chronic, Non-communicable Diseases and Disorders Across the Lifespan (NCD-Lifespan); Millennium Promise Awards: Non-communicable Chronic Diseases Research Training (NCoD); Clinical, Operational and Health Services (ICOHRTA) * Ecology and Evolution of Infectious Diseases (EEID) * Environmental and Occupational Health (ITREOH) * Framework * Framework Innovations * Framework Signature Innovations * Global Environmental and Occupational Health (GEOHealth) * Global Infectious Diseases (GID) * HIV: Fogarty HIV Research Training; AIDS International Training and Research (AITRP); Clinical, Operational and Health Services AIDS/TB (ICOHRTA-AIDS/TB) * Informatics (ITGH) * Medical Education Partnership Initiative (MEPI) * New Foreign Investigators (GRIP) * Research Collaboration (FIRCA) * Tobacco * Trauma and Injury * Womens and Girls Health Administrative Grant Supplements Career Development Opportunities for Individuals * Fellows and Scholars Programs: Global Health Fellows and Scholars; Scholars and Fellows (FICRS-F) * Fulbright-Fogarty Fellowships in Public Health * Independent Scientist in Global Health (ISGHA) * Japanese Researcher Fellowships (JSPS) * Junior Research Scientists (IRSDA) Other Programs * American Reinvestment and Recovery Act (ARRA) * Genetics * Population * Stigma

Abbreviations: FIC, Fogarty

Synonyms: John E. Fogarty International Center for Advanced Study in the Health Sciences, Fogarty International Center for Advanced Study in the Health Sciences
