Texas University Health Science Center at San Antonio Long School of Medicine Department of Cell Systems and Anatomy Optical Imaging Core Facility

RRID:SCR_012171

Type: Tool

Proper Citation

Texas University Health Science Center at San Antonio Long School of Medicine Department of Cell Systems and Anatomy Optical Imaging Core Facility (RRID:SCR_012171)

Resource Information

URL: https://lsom.uthscsa.edu/dcsa/research/cores-facilities/optical-imaging/

Proper Citation: Texas University Health Science Center at San Antonio Long School of Medicine Department of Cell Systems and Anatomy Optical Imaging Core Facility (RRID:SCR_012171)

Description: Service resource which makes imaging technology available to investigators on UTHSCSA campus and neighboring scientific community. Core Optical Imaging Facility offers access to technology for imaging of living cells, tissues, and animals, consultation, education and assistance regarding theory and application of optical imaging techniques, technical advice on specimen preparation techniques and probe selection.

Abbreviations: UTHSCSA OIF

Synonyms: University of Texas Health Science Center at San Antonio Optical Imaging Facility, University of Texas Health Science Center at San Antonio Optical Imaging Facility (OIF), UTHSCSA Optical Imaging Facility, UTHSCSA Optical Imaging Facility (OIF)

Resource Type: core facility, service resource, access service resource

Keywords: Optical, imaging, facility, living, cell, tissue, animal, consultation, speciment, preparation

Funding: NCI;

UTHSCSA; NIA P01 AG19316

Availability: Restricted

Resource Name: Texas University Health Science Center at San Antonio Long School of

Medicine Department of Cell Systems and Anatomy Optical Imaging Core Facility

Resource ID: SCR_012171

Alternate IDs: SciEx_10134

Old URLs: http://www.scienceexchange.com/facilities/optical-imaging-facility-oif

Record Creation Time: 20220129T080308+0000

Record Last Update: 20250524T060427+0000

Ratings and Alerts

No rating or validation information has been found for Texas University Health Science Center at San Antonio Long School of Medicine Department of Cell Systems and Anatomy Optical Imaging Core Facility.

No alerts have been found for Texas University Health Science Center at San Antonio Long School of Medicine Department of Cell Systems and Anatomy Optical Imaging Core Facility.
