CAZy- Carbohydrate Active Enzyme

RRID:SCR_012909

Type: Tool

Proper Citation

CAZy- Carbohydrate Active Enzyme (RRID:SCR_012909)

Resource Information

URL: <http://www.cazy.org>

Proper Citation: CAZy- Carbohydrate Active Enzyme (RRID:SCR_012909)

Description: Database that describes the families of structurally-related catalytic and carbohydrate-binding modules (or functional domains) of enzymes that degrade, modify, or create glycosidic bonds. This specialist database is dedicated to the display and analysis of genomic, structural and biochemical information on Carbohydrate-Active Enzymes (CAZymes). CAZy data are accessible either by browsing sequence-based families or by browsing the content of genomes in carbohydrate-active enzymes. New genomes are added regularly shortly after they appear in the daily releases of GenBank. New families are created based on published evidence for the activity of at least one member of the family and all families are regularly updated, both in content and in description. An original aspect of the CAZy database is its attempt to cover all carbohydrate-active enzymes across organisms and across subfields of glycosciences. One can search for CAZY Family pages using the Protein Accession (Genpept Accession, Uniprot Accession or PDB ID), Cazy family name or EC number. In addition, genomes can be searched using the NCBI TaxID. This search can be complemented by Google-based searches on the CAZy site.

Abbreviations: CAZy

Synonyms: Carbohydrate-Active enZYme, Carbohydrate-Active enZYmes Database

Resource Type: data or information resource, database

Defining Citation: [PMID:24270786](#)

Keywords: carbohydrate, carbohydrate-binding, carbohydrate binding module, carbohydrate esterase, catalytic binding, glycosidic bond, glycosidic hydrolase, glycosyl transferase, polysaccharide lyase, enzyme class, enzyme, module, genome, virus, bio.tools, FASEB list

Resource Name: CAZy- Carbohydrate Active Enzyme

Resource ID: SCR_012909

Alternate IDs: r3d100012321, biotools:cazy, OMICS_01677, nif-0000-02642, SCR_012935

Alternate URLs: <https://bio.tools/cazy>

Record Creation Time: 20220129T080313+0000

Record Last Update: 20260829T182817+0000

Ratings and Alerts

No rating or validation information has been found for CAZy- Carbohydrate Active Enzyme.

No alerts have been found for CAZy- Carbohydrate Active Enzyme.
