Proper Citation: PubPeer (RRID:SCR_013771)

Description: A software application that enables users to peer review published research articles. Users must have a previous publication and an email address at an academic or research institution. Comments can be made in any article published with a digital object identifier, PubMed identifier or a preprint in arXiv. Authors are notified of any comments their paper has received and may respond to comments.

Resource Type: software resource

Keywords: web application, peer review

Funding:

Availability: free

Resource Name: PubPeer

Resource ID: SCR_013771

License URLs: <https://pubpeer.com/tos>

Record Creation Time: 20220129T080317+0000

Record Last Update: 20250410T070449+0000

Ratings and Alerts

No rating or validation information has been found for PubPeer.
