MARS (Multi-Atlas Robust Segmentation)

RRID:SCR 014137

Type: Tool

Proper Citation

MARS (Multi-Atlas Robust Segmentation) (RRID:SCR_014137)

Resource Information

URL: http://www.nitrc.org/projects/mars/

Proper Citation: MARS (Multi-Atlas Robust Segmentation) (RRID:SCR_014137)

Description: Software which provides the automatic solutions for efficient segmentation/labeling anatomcial structures from medical images. It has integrated several multi-atlas based segmentation methods such as majority voting, local weighted voting, and non-local patch based segmentation methods.

Resource Type: data processing software, software application, software resource, image analysis software, segmentation software

Defining Citation: PMID:24315359

Keywords: segmentation software, anatomical structure, label, multi atlas

Funding:

Availability: Available to the research community

Resource Name: MARS (Multi-Atlas Robust Segmentation)

Resource ID: SCR_014137

License: GNU General Public License

Record Creation Time: 20220129T080319+0000

Record Last Update: 20250523T055018+0000

Ratings and Alerts

No rating or validation information has been found for MARS (Multi-Atlas Robust Segmentation).

No alerts have been found for MARS (Multi-Atlas Robust Segmentation).

Data and Source Information
