OpenViBE

RRID:SCR_014156

Type: Tool

Proper Citation

OpenViBE (RRID:SCR_014156)

Resource Information

URL: <http://www.nitrc.org/projects/opencvibe>

Proper Citation: OpenViBE (RRID:SCR_014156)

Description: A multi-platform software dedicated to designing, testing and using brain-computer interfaces (BCI). OpenViBE is a software for real-time neurosciences that can be used to acquire, filter, process, classify and visualize brain signals in real time.

Resource Type: data acquisition software, data processing software, data visualization software, software application, software resource, software toolkit

Keywords: software toolkit, multi platform, brain computer interface, real time

Availability: Public, Available to the research community

Resource Name: OpenViBE

Resource ID: SCR_014156

Alternate URLs: <http://opencvibe.inria.fr>

License: GNU Affero General Public License v3

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260821T194000+0000

Ratings and Alerts

No rating or validation information has been found for OpenViBE.

No alerts have been found for OpenViBE.

Data and Source Information

Usage and Citation Metrics

We found 106 mentions in open access literature.

Listed below are recent publications. The full list is available at [NIF](#) .
