iMosflm

RRID:SCR_014217

Type: Tool

Proper Citation

iMosflm (RRID:SCR_014217)

Resource Information

URL: <http://www.mrc-lmb.cam.ac.uk/harry/imosflm/ver721/introduction.html>

Proper Citation: iMosflm (RRID:SCR_014217)

Description: Software which processes diffraction data/images and produces an MTZ file of reflection indices with their intensities, standard deviations, and other parameters. The MTZ file is passed onto other programs of the CCP4 program suite for further data reduction. iMosflm processes data from CCD and pixel detectors. It is available for Windows, Mac OSX and Linux platforms. Tutorials are available at the website.

Resource Type: data processing software, image processing software, software application, software resource

Keywords: image processing software, diffraction image, mtz file

Resource Name: iMosflm

Resource ID: SCR_014217

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260829T182450+0000

Ratings and Alerts

No rating or validation information has been found for iMosflm .

No alerts have been found for iMosflm .
