ANY-maze

RRID:SCR_014289

Type: Tool

Proper Citation

ANY-maze (RRID:SCR_014289)

Resource Information

URL: <http://www.sandiegoinstruments.com/any-maze-video-tracking/>

Proper Citation: ANY-maze (RRID:SCR_014289)

Description: Video tracking system used to automate testing in a variety of behavioral apparatus. ANY-maze can automatically track the tail, head, or body of a test animal in up to 16 pieces of apparatus. The software can record live images or digital files with different camera types and save the data in multiple formats. ANY-maze contains built in statistical tests and standard measures for distance, speed, mobility, duration, etc., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Synonyms: ANY-MAZE, ANY-Maze, any maze

Resource Type: image acquisition software, data acquisition software, software application, data processing software, software resource

Keywords: video tracking system, automated video tracking, behavioral apparatus, data acquisition software, record live image

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: ANY-maze

Resource ID: SCR_014289

Old URLs: <http://www.anymaze.co.uk/>

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260804T043526+0000

Ratings and Alerts

No rating or validation information has been found for ANY-maze.

No alerts have been found for ANY-maze.
