FluorChem Q Imager

RRID:SCR_014549

Type: Tool

Proper Citation

FluorChem Q Imager (RRID:SCR_014549)

Resource Information

URL: http://www.proteinsimple.com/fluorchem_q.html

Proper Citation: FluorChem Q Imager (RRID:SCR_014549)

Description: A software used for quantitative Western blot imaging and analysis. This software is compatible with several dyes and kits, providing extra flexibility for application. This software is designed to be able to look at multiple proteins simultaneously on a single assay. This software is sensitive enough to distinguish co-migrating proteins, such as phosphorylated and unphosphorylated isoforms.

Resource Type: data analysis software, data processing software, data visualization software, software application, software resource

Keywords: western blot, western blot analysis, co-migrating proteins, single assay, phosphorylated, unphosphorylated, isoforms,

Availability: Commercial

Resource Name: FluorChem Q Imager

Resource ID: SCR_014549

Record Creation Time: 20220129T080321+0000

Record Last Update: 20260919T195258+0000

Ratings and Alerts

No rating or validation information has been found for FluorChem Q Imager.

No alerts have been found for FluorChem Q Imager.

Data and Source Information

Usage and Citation Metrics

We found 113 mentions in open access literature.

Listed below are recent publications. The full list is available at [NIF](#) .
