George M. O'Brien Kidney Research Core Center - UT Southwestern Medical Center
(RRID:SCR_015293)

Resource Information

URL: <http://www.utsouthwestern.edu/research/core-facilities/obrien-kidney/>

Proper Citation: George M. O'Brien Kidney Research Core Center - UT Southwestern Medical Center (RRID:SCR_015293)

Description: Center whose goal is to generate new animal models to study the pathogenesis and treatment of human kidney diseases and their cardiovascular complications, accelerate the clinical application of discoveries made in renal basic science laboratories, and provide investigators with specialized tools and expertise to study kidney development, physiology, and pathophysiology.

Resource Type: resource, access service resource, portal, data or information resource, topical portal, disease-related portal, service resource

Keywords: kidney research, renal diseases, kidney genetics and disease, physiology

Related Condition: kidney disease

Funding: NIDDK P30DK079328

Availability: Available to the research community

Resource Name: George M. O'Brien Kidney Research Core Center - UT Southwestern Medical Center

Resource ID: SCR_015293

Record Creation Time: 20220129T080325+0000

Record Last Update: 20250409T061301+0000
