Object-Image

RRID:SCR_015720 Type: Tool

Proper Citation

Object-Image (RRID:SCR_015720)

Resource Information

URL: https://sils.fnwi.uva.nl/bcb/Object-Image/object-image.html

Proper Citation: Object-Image (RRID:SCR_015720)

Description: Image analysis software package that allows non-destructive image marking, input for further image processing, and marking the results of automatic measurements. Object-Image integrates measurements, macros, graphical objects and image names in a closed unit called 'object file' so that it reduces file clutter.

Resource Type: software resource, software application, data processing software, image analysis software

Keywords: image marking, non-destructive, image analysis, text editor, debugging software

Funding:

Availability: Free, Available for download, Runs on Mac OS

Resource Name: Object-Image

Resource ID: SCR_015720

Alternate URLs: simon.bio.uva.nl/Object-Image/object-image.html

Record Creation Time: 20220129T080327+0000

Record Last Update: 20250517T060224+0000

Ratings and Alerts

No rating or validation information has been found for Object-Image.

No alerts have been found for Object-Image.

Data and Source Information
