Proper Citation: JASP (RRID:SCR_015823)

Description: Statistics software that performs common frequentist analyses and Bayesian analyses. It conducts ANOVA, linear regression, and correlation, among other statistical tests.

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [PMID:28685272](#)

Keywords: statistical analysis, data analysis, statistical test, frequentist analysis, bayesian analysis, r package

Funding: European Research Council

Availability: Open source, Free, Available for download, Tutorial available, Runs on Windows, Runs on MAC OS, Runs on Linux

Resource Name: JASP

Resource ID: SCR_015823
