UMMPerfusion

RRID:SCR_015970
Type: Tool

Proper Citation

UMMPerfusion (RRID:SCR_015970)

Resource Information

URL: http://ikrsrv1.medma.uni-heidelberg.de/redmine/projects/ummperfusion

Proper Citation: UMMPerfusion (RRID:SCR_015970)

Description: Analysis software for dynamic contrast enhanced magnetic resonance images with implementation of a pixel-by-pixel deconvolution approach. It quantifies T1-weighted contrast-enhanced dynamic MR imaging (DCE-MRI) perfusion data as an OsiriX plug-in.

Synonyms: OsiriX plugin

Resource Type: software resource, image analysis software, software application, data processing software, software toolkit

Defining Citation: PMID:22832894

Keywords: DCE-MRI, t1, weighted, imaging, mr, magnetic, resonance, analysis, digital, perfusion, parameter, data, set, image, algorithm, contrast, pixel

Funding: Heinrich-Vetter-Stiftung

Availability: Open source, Available for download, Runs on Mac OS, Tutorial available

Resource Name: UMMPerfusion

Resource ID: SCR_015970

Record Creation Time: 20220129T080328+0000

Record Last Update: 20250417T065538+0000

Ratings and Alerts

No rating or validation information has been found for UMMPerfusion.

No alerts have been found for UMMPerfusion.

Data and Source Information

Source: SciCrunch Registry

Usage and Citation Metrics

We found 5 mentions in open access literature.

Listed below are recent publications. The full list is available at NIF.
