National Death Index

RRID:SCR_016369

Type: Tool

Proper Citation

National Death Index (RRID:SCR_016369)

Resource Information

URL: <https://www.cdc.gov/nchs/ndi/index.htm>

Proper Citation: National Death Index (RRID:SCR_016369)

Description: Database of death record information on file in state vital statistics offices. Working with these state offices, the National Center for Health Statistics (NCHS) established the NDI as a resource to aid epidemiologists and other health and medical investigators with their mortality ascertainment activities.

Abbreviations: NDI

Synonyms: National Mortality Index, Death Index

Resource Type: data or information resource, database

Keywords: death, mortality, epidemic, statistic, epidemiology, clinical, terminal illness, dead, deceased

Funding: CDC

Availability: Application required

Resource Name: National Death Index

Resource ID: SCR_016369

Record Creation Time: 20220129T080330+0000

Record Last Update: 20260905T133213+0000

Ratings and Alerts

No rating or validation information has been found for National Death Index.

No alerts have been found for National Death Index.
