p300db (RRID:SCR_017063)

Resource Information

URL: http://p300db.choudharylab.org

Proper Citation: p300db (RRID:SCR_017063)

Description: Data collection of CBP/p300 regulated acetylome, proteome, and transcriptome in murine embryonic fibroblasts. Composed of Symbol search for quantified acetylation sites, proteins and transcripts abundance in CBP/p300, Domain search for batch query of proteins by specific domain and Conserved sites for acetylation sites that are conserved between mouse and human, and their regulation in KATi treated cells.

Resource Type: database, data or information resource

Keywords: data, collection, CBP, p300, regulated, acetylome, proteome, transcriptome, murine, embryonic, fibroblast, domain, protein, acetylation, site, dataset

Funding:

Availability: Free, Available for download, Freely available

Resource Name: p300db

Resource ID: SCR_017063

Record Creation Time: 20220129T080333+0000

Record Last Update: 20250517T060311+0000

Ratings and Alerts

No rating or validation information has been found for p300db.

No alerts have been found for p300db.
