Proper Citation: University of Tübingen Quantitative Biology Center (RRID:SCR_017147)

Description: Central unit for bioinformatics and omics technologies of University of Tübingen, Medical Faculty and Max Planck for Developmental Biology. Through partnering with on campus core facilities, offers services on full range of omics technologies. Data generation is complemented by integrated bioinformatics analyses, and all high throughput data is managed centrally.

Abbreviations: QBiC

Synonyms: QBiC, University of Tübingen, Quantitative Biology Center, University of Tübingen Quantitative Biology Center

Resource Type: access service resource, core facility, service resource

Keywords: data, generation, experiment, planning,

Availability: Open

Resource Name: University of Tübingen Quantitative Biology Center

Resource ID: SCR_017147

License URLs: <https://uni-tuebingen.de/en/research/research-infrastructure/quantitative-biology-center-qbic/costs/>

Record Creation Time: 20220129T080333+0000

Record Last Update: 20260912T200359+0000

Ratings and Alerts

No rating or validation information has been found for University of Tübingen Quantitative Biology Center.

No alerts have been found for University of Tübingen Quantitative Biology Center.
