Type: Tool

Proper Citation

Northwestern University School of Medicine Lurie Cancer Center Pathology Core Facility (RRID:SCR_017769)

Resource Information

URL: <http://cancer.northwestern.edu/research/shared-resources/pathology-core-facility.html>

Proper Citation: Northwestern University School of Medicine Lurie Cancer Center Pathology Core Facility (RRID:SCR_017769)

Description: Centralized, comprehensive, core laboratory providing histology, immunohistochemistry, molecular analysis and extraction and microscopic evaluation services for human tissue-based studies. Serves integral marker studies that require biomarker-based treatment arm assignment. Performs procurement of fresh biospecimens for clinical trials and biobanking.

Abbreviations: PCF

Synonyms: Pathology Core Facility

Resource Type: access service resource, core facility, service resource

Keywords: Pathology, histology, immunohistochemistry, molecular, analysis, extraction, microscopic, evaluation, human, tissue, biobanking, service, core

Funding: NCI CA060553

Resource Name: Northwestern University School of Medicine Lurie Cancer Center Pathology Core Facility

Resource ID: SCR_017769

Alternate IDs: ABRF_333

Record Creation Time: 20220129T080336+0000

Ratings and Alerts

No rating or validation information has been found for Northwestern University School of Medicine Lurie Cancer Center Pathology Core Facility.
