RRID:SCR_018002

Type: Tool

Proper Citation

mqtladb (RRID:SCR_018002)

Resource Information

URL: <http://www.mqtladb.org/>

Proper Citation: mqtldb (RRID:SCR_018002)

Description: Data collection of large scale genome wide DNA methylation analysis of 1,000 mother-child pairs at serial time points across life course (ARIES).

Abbreviations: mqtldb

Synonyms: methylation quantitative trait loci database

Resource Type: data or information resource, database

Defining Citation: [DOI:10.1186/s13059-016-0926-z](https://doi.org/10.1186/s13059-016-0926-z)

Keywords: Data, large scale, genome, DNA methylation, analysis, mother-child pair, serial time point, life course, aeries, methylation, quantitative trait loci, database

Resource Name: mqtldb

Resource ID: SCR_018002

Record Creation Time: 20220129T080338+0000

Record Last Update: 20260904T000337+0000

Ratings and Alerts

No rating or validation information has been found for mqtldb.

No alerts have been found for mqtldb.

Data and Source Information

Usage and Citation Metrics

We found 47 mentions in open access literature.

Listed below are recent publications. The full list is available at [NIF](#) .
