Proper Citation: Bio-Rad: iCycle iQ Real-Time Detection System (RRID:SCR_018065)

Description: PCR detection system that features broad spectrum light source. Filter based optical design allows selection of optimal wavelengths of light for excitation and emission. Pixel array on CCD detector allows for simultaneous imaging of all 96 wells every second. Simultaneous image collection insures that well-to-well data may reliably be compared. Reports data on PCR in progress in Real Time, allowing immediate feedback on reaction success.

Synonyms: Bio-Rad iCycle Thermal Cycler

Resource Type: instrument resource

Keywords: ABRF, Thermal Cycler, RT PCR, instrument, equipment, Bio Rad

Specification URL: https://raw.githubusercontent.com/SciCrunch/RRID-Instruments/main/PDF/SCR_018065.pdf

Resource Name: Bio-Rad: iCycle iQ Real-Time Detection System

Resource ID: SCR_018065

Alternate IDs: Model_Number_iCycle

Alternate URLs: <https://www.bio-rad.com/webroot/web/pdf/lsr/literature/4006200E.pdf>

Record Creation Time: 20220129T080338+0000

Record Last Update: 20260829T182540+0000

Ratings and Alerts

No rating or validation information has been found for Bio-Rad: iCycle iQ Real-Time Detection System.

No alerts have been found for Bio-Rad: iCycle iQ Real-Time Detection System.
