QuPath

RRID:SCR_018257

Type: Tool

Proper Citation

QuPath (RRID:SCR_018257)

Resource Information

URL: https://qupath.github.io/

Proper Citation: QuPath (RRID:SCR_018257)

Description: Open Source software package for digital pathology image analysis. Used for whole slide image analysis and digital pathology. Provides researchers with batch processing and scripting functionality, and extensible platform with which to develop and share new algorithms to analyze complex tissue images.

Resource Type: image analysis software, software resource, data processing software, software application

Defining Citation: PMID:29203879

Keywords: Digital pathology, image analysis, whole slide image, batch processing, tissue image, bio.tools

Funding: Invest Northern Ireland;

Experimental Cancer Medicine Centre Network;

Sean Crummey Memorial Fund; Tom Simms Memorial Fund; Friends of the Cancer Centre; Cancer Research UK Accelerator

Availability: Free, Available for download, Freely available

Resource Name: QuPath

Resource ID: SCR_018257

Alternate IDs: biotools:qupath

Alternate URLs: https://bio.tools/qupath

License: GPLv3

Record Creation Time: 20220129T080339+0000

Record Last Update: 20250425T060306+0000

Ratings and Alerts

No rating or validation information has been found for QuPath.

No alerts have been found for QuPath.
