Cytosplore Viewer

RRID:SCR_018330

Type: Tool

Proper Citation

Cytosplore Viewer (RRID:SCR_018330)

Resource Information

URL: <https://viewer.cytosplore.org/>

Proper Citation: Cytosplore Viewer (RRID:SCR_018330)

Description: Web based interactive visual analysis system for exploration of single cell data published in Allen Cell Types Database and for number of single cell data resources of Brain Initiative Single Cell Network. Allows interactive exploration of hierarchies of cell types, visualization of transcriptome wide gene expression in combination with metadata of individual cells, performing differential analyses and statistics between manual selections of cells, or between pre-defined clusters throughout cellular hierarchy and more.

Resource Type: analysis service resource, data access protocol, production service resource, service resource, software resource, web service

Keywords: BICCN, visualization, transcriptomics, single cell data, gene expression, metadata, analysis, statistic, cellular hierarchy, Cytosplore

Availability: Free, Available for download, Freely available

Resource Name: Cytosplore Viewer

Resource ID: SCR_018330

License URLs: <https://alleninstitute.org/legal/terms-use/>

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260821T194127+0000

Ratings and Alerts

No rating or validation information has been found for Cytosplore Viewer.

No alerts have been found for Cytosplore Viewer.
