CohortMethod

RRID:SCR_018511

Type: Tool

Proper Citation

CohortMethod (RRID:SCR_018511)

Resource Information

URL: <https://github.com/OHDSI/CohortMethod>

Proper Citation: CohortMethod (RRID:SCR_018511)

Description: Software R package for performing new user cohort studies in observational database in OMOP Common Data Model.

Resource Type: data analysis software, data processing software, data visualization software, software application, software resource

Keywords: Cohort study, observational database, OMOP Common Data Model, data, drugs, diagnosis, procedure, age, comorbidity index, data visualization

Funding: NSF IIS 1251151

Availability: Free, Available for download, Freely available

Resource Name: CohortMethod

Resource ID: SCR_018511

License: Apache License 2.0

Record Creation Time: 20220129T080340+0000

Record Last Update: 20260829T182608+0000

Ratings and Alerts

No rating or validation information has been found for CohortMethod.

No alerts have been found for CohortMethod.

Data and Source Information

Usage and Citation Metrics

We found 11 mentions in open access literature.
