## GTDB-Tk

RRID:SCR\_019136

Type: Tool

### Proper Citation

GTDB-Tk (RRID:SCR\_019136)

### Resource Information

**URL:** <https://github.com/Ecogenomics/GtdbTk>

**Proper Citation:** GTDB-Tk (RRID:SCR\_019136)

**Description:** Open source software tool for assigning objective taxonomic classifications to bacterial and archaeal genomes based on Genome Database Taxonomy. Designed to work with recent advances that allow metagenome assembled genomes to be obtained directly from environmental samples. Can also be applied to isolate and single cell genomes.

**Synonyms:** GTDB-Tk v1.3.0, Genome Database Taxonomy-Tk

**Resource Type:** software resource, software toolkit

**Keywords:** Assigning objective taxonomic classifications, bacterial genome, archaeal genome, Genome Database Taxonomy, metagenome assembled genome, environmental sample, bio.tools

**Availability:** Free, Available for download, Freely available

**Resource Name:** GTDB-Tk

**Resource ID:** SCR\_019136

**Alternate IDs:** biotools:Gtdb-tk

**Alternate URLs:** <https://bio.tools/GTDB-Tk>

**License:** GNU GPL v3

**Record Creation Time:** 20220129T080343+0000

**Record Last Update:** 20260821T194140+0000

### Ratings and Alerts

No rating or validation information has been found for GTDB-Tk.

No alerts have been found for GTDB-Tk.
