University of Alberta Faculty of Medicine and Dentistry High Content Analysis Core Facility

RRID:SCR_019182

Type: Tool

Proper Citation

University of Alberta Faculty of Medicine and Dentistry High Content Analysis Core Facility (RRID:SCR_019182)

Resource Information

URL: <https://www.ualberta.ca/medicine/research/corefacilities/hcacore/index.html>

Proper Citation: University of Alberta Faculty of Medicine and Dentistry High Content Analysis Core Facility (RRID:SCR_019182)

Description: Core houses equipment to manage and automate large-scale experiments in areas such as drug discovery and single cell analysis. From sample processing and liquid handling to quantitative analysis of sequencing, imaging, and fluorescent data, core offers high throughput methods for screening needs.

Abbreviations: FoMD HCA

Synonyms: Faculty of Medicine and Dentistry High Content Analysis Core

Resource Type: access service resource, service resource, core facility

Keywords: USEdit, drug discovery, single cell analysis, sample processing, liquid handling, sequencing data quantitative analysis, imaging data quantitative analysis, fluorescent data analysis, ABRF, ABRF

Resource Name: University of Alberta Faculty of Medicine and Dentistry High Content Analysis Core Facility

Resource ID: SCR_019182

Alternate IDs: ABRF_1078

Alternate URLs: <https://coremarketplace.org/?FacilityID=1078>

Record Creation Time: 20220129T080343+0000

Record Last Update: 20260806T054711+0000

Ratings and Alerts

No rating or validation information has been found for University of Alberta Faculty of Medicine and Dentistry High Content Analysis Core Facility.

No alerts have been found for University of Alberta Faculty of Medicine and Dentistry High Content Analysis Core Facility.
