University of California at Los Angeles Lipidomics Lab Core Facility

RRID:SCR_019210
Type: Tool

Proper Citation

University of California at Los Angeles Lipidomics Lab Core Facility (RRID:SCR_019210)

Resource Information

URL: https://www.uclalipidomics.net/

Proper Citation: University of California at Los Angeles Lipidomics Lab Core Facility (RRID:SCR_019210)

Description: Offers automated sample preparation and two distinct mass spectrometry platforms with services, ranging from shotgun lipidomics to isotope labeling and mathematical modeling of lipid flux parameters.Offers data analysis and consultation services to provide users with accurate analysis of lipid metabolic parameters.

Synonyms: UCLA Lipidomics Lab, University of California, Los Angeles UCLA Lipidomics Lab

Resource Type: access service resource, core facility, service resource

Keywords: USEDit, automated sample preparation, mass spectrometry, shotgun lipidomics, isotope labeling, lipid flux parameters mathematical modeling, data analysis, lipid metabolic parameters, ABRF, ABRF

Availability: open

Resource Name: University of California at Los Angeles Lipidomics Lab Core Facility

Resource ID: SCR_019210

Alternate IDs: ABRF_1092

Alternate URLs: https://coremarketplace.org/?FacilityID=1092

Record Creation Time: 20220129T080344+0000

Record Last Update: 20260821T194142+0000

Ratings and Alerts

No rating or validation information has been found for University of California at Los Angeles Lipidomics Lab Core Facility.

No alerts have been found for University of California at Los Angeles Lipidomics Lab Core Facility.
