MSnbase

RRID:SCR_019317

Type: Tool

Proper Citation

MSnbase (RRID:SCR_019317)

Resource Information

URL: https://bioconductor.org/packages/MSnbase/

Proper Citation: MSnbase (RRID:SCR_019317)

Description: Software R package provides infrastructure for manipulation, processing and visualisation of mass spectrometry and proteomics data, ranging from raw to quantitative and annotated data. Used for isobaric tagged mass spectrometry data visualization, processing and quantitation.

Resource Type: data processing software, software toolkit, data visualization software, data analytics software, software resource, software application

Defining Citation: PMID:22113085, PMID:32902283

Keywords: Mass spectrometry data processing, mass spectrometry data visualization, raw mass spectrometry data

Funding: BBSRC Tools and Resources Development Fund;

European Union 7th Framework Program

Availability: Free, Available for download, Freely available

Resource Name: MSnbase

Resource ID: SCR_019317

Record Creation Time: 20220129T080344+0000

Record Last Update: 20250429T060041+0000

Ratings and Alerts

No rating or validation information has been found for MSnbase.

No alerts have been found for MSnbase.

Data and Source Information
